From Sr. Catherine:

Elderly or Homebound: Do you know of an elderly homebound parishioner that should be on our call list for visitation? Call Sr. Catherine at 781-1785 and we will start calling on them.

Just a reminder: With privacy standards now being fully enforced at hospitals and fewer priests available, it is increasingly important that, circumstances permitting, anyone entering the hospital contact the Parish Office in advance. Those going in for a scheduled surgery might consider arranging to receive the Sacrament of Anointing of the Sick prior to entering the hospital.

Prayer Line Requests: Please leave a message for Sr. Catherine at 781-1785.

Join our Visiting Team!

We still have a few names left – if you can help us please take a name of a homebound parishioner. It is our hope that all of our homebound parishioners will have a visitor this summer. Thanks so much!!!

Thank you for participating in this
Corporal Work of Mercy.

The Community Service Commission will be collecting towels (new or gently used) this weekend (July 10/11th) and next weekend (July 17/18th). All towels collected will be donated to local shelters. Collection boxes are at the entrances to the Church.

July, 2010

My Brothers and Sisters in Christ,

In a small village called Kapshagai in Kazakhstan, the Catholic Church supports a series of shelter-homes for children whose families face challenges too difficult to manage. The Church provides these children with housing, food, clothing, vocational training, companionship, and love as they look to help families reunite. What started as one building housing 20 children in 2001 has become 10 buildings today, where children and young people, including university students, receive housing and counseling.

The Collection for the Church in Central and Eastern Europe supports pastoral needs of the region, such as seminary formation and parish maintenance. The Collection also helps with social and charitable works that the local Church does not have the capacity to support, such as the shelter-homes for the children of Kapshagai.

Because of the fall of communism and the entrance of central and eastern European countries into the European Union, many think that the needs of the region have been met. However, parishes still struggle in places where Catholics are in the minority, lack proper places to worship and the ability to provide pastoral care, and most importantly, cannot support themselves. On behalf of the struggling parishes of the Church in Central and Eastern Europe, we ask for your support of the

upcoming Collection. Through it, we can give faith to the future by helping the Church to grow in faith and by nurturing the Church's children.

Please be generous in your parish Collection for the Church in Central and Eastern Europe. Stand in solidarity with your brothers and sisters across the globe in Central and Eastern Europe and parts of Asia that were once under Soviet control—where great needs remain.

In Christ,

Bishop Timothy A. McDonnell

Our seminarian Sal Circosta is finishing up his summer assignment at St. Elizabeth's Parish in Ludlow. On July 16th he will be leaving for Fort Jackson, South Carolina where he will finish up his military chaplaincy training for the Army National Guard. He will finish up there and return to Saint John's Seminary in Boston on September 1st to begin his third year in theological studies.

A Thank-you from Bethlehem House. The mothers and children who depend upon the Bethlehem House thank the many generous volunteers and benefactors to this outreach ministry for their help during its recent move. Our ministry puts into action the pro-life teachings of our Catholic faith and by the help of so many, we are able to reach out with God's loving compassion to mothers facing difficult economic problems- helping to support their decision to keep their children!

The staff at Bethlehem House thanks one and all and we look forward to continuing this ministry for many years to come!
